They have just received a fresh stock of goods which in style and quality was never equalled in this city. These goods were selected by Mr. Hartsock in person and his great experience, has enabled him to make the most judicious selection. The goods were bought exclusively for cash and will be sold at a small advance. The ment of this character. In the Merchant Tailoring department, which will be under the immediate charge of Mr. Hartsock will be found a style of goods never before brought to this market. Their cloths, cas ameres, vestings &c., are of the most superb styles and finish, and the otmost satinfaction will be guaranteed both as to the material and workmanship.

We have not the shadow of a doubt that this house will become the most popular Clothing Establishment in the city, for each member of the firm possesses all the elements of popularity-being affable gentlemanly and accommodating, and keeping always on hand the finest stock of goods they cannot fail to merit and receive a most speral patronage.
